

Consolidate Your Renaissance Software for Maximum Time and Cost Savings!

Renaissance Place is the integrated, web-based information system that provides extraordinary time and cost savings to schools and districts. With Renaissance Place, no longer will you have to maintain separate installations at each school. No longer will you have to troubleshoot individual Renaissance programs (no more Data Doctor!). And you'll be able to enter student data just once and use it throughout all your district's Renaissance Place applications.

It's Easy To Install Renaissance Place at Your District

Renaissance Place is compatible with nearly any network environment, including Novell, Xserve, Appleshare, Windows NT, Windows 2000, Windows 2003, and Linux. And both your Macintosh and Windows workstations can access Renaissance Place as easily as you access an Internet web site. If you're running a Windows 2000 or Windows 2003 network, Renaissance Place can be installed directly on the server. If you're running a Novell, Xserve, Appleshare, Windows NT, or Linux network, simply install Renaissance Place on a networked computer running Windows 2000 Server or Windows 2003 Server.

And for truly maintenance-free operation, you can choose Renaissance Learning web-access hosting.

Enjoy Unlimited Support

Expert Support Plan (ESP) Plus is the premier technical support plan in the educational industry. Most likely you're already paying for ESP coverage on your Renaissance Learning programs right now. With Renaissance Place, it's included in an inexpensive, complete service package. You'll enjoy unlimited technical support for the life of your software, and you'll be able to contact our experts from 6:30 a.m. until 11:00 p.m. Central Time Monday through Friday to answer questions and to receive software assistance.

Receive FREE Updates and Upgrades

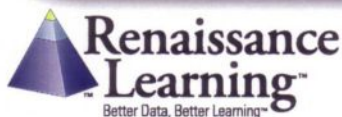

Your Renaissance Place service package includes all updates and upgrades at no additional charge.

Please note: For STAR Math and STAR Reading, updated norms are available separately.

And There's More

With Renaissance Place, you receive installation service and remote transfer of student data from existing Renaissance applications within 90 days of your purchase. You also receive a monthly remote diagnostic service report detailing how your Renaissance Place software is running on your server.
