

# Maximize Classroom Participation and Performance Assessment!

**COSTS**  
**30%**  
LESS than other  
interactive  
systems!

Introducing the **Renaissance Classroom Response System™**—the breakthrough tool for easily encouraging classroom participation and quickly assessing student performance!

- State-of-the-art RF wireless technology provides instant communication between your desktop software and each student's handheld remote.
- Multi-purpose instructional tool works great for tests, quizzes, surveys, and other exercises—plus you get instant feedback with real-time scoring.
- No aiming required, no interference problems.
- Crisp, high-resolution LCD graphical display.
- Question types include multiple choice, True/False, Yes/No, and numeric responses.
- Includes textbook-aligned item banks—no need to purchase separately.
